What the badge means

- NORMAL** **OVERRIDE** **BLACKOUT**
- LIVE TV** **OFFLINE**

Normal = usual playlist. Override = a slide you picked. Offline = TV hasn't checked in for 5 min.

TV says Offline or won't change? Check it's switched on. If it's showing the TV home screen or live TV, open the **VenueOS** app from the TV's app list. Still stuck: call Joe, JJJK Entertainment.
